7a. FEDERAL TAX WITHHOLDING ELECTION (applies to all Inherited IRAs including Roth Inherited IRAs)

Federal income tax will be withheld at the rate of 10% from any distribution, subject to the IRS withholding rules, unless you elect or have previously elected out of withholding. Tax will be withheld on the gross amount of the payment even though you may be receiving amounts that are not subject to withholding because they are excluded from gross income. This withholding procedure may result in excess withholding on the payments. If you elect to have no federal taxes withheld from your distribution, or if you do not have enough federal income tax withheld from your distribution, you may be responsible for payment of estimated tax. You may incur penalties under the estimated tax rules if your withholding and estimated tax payments are not sufficient. If you are completing this form, your below election will remain in effect until such time as you make a different election in writing to the Custodian.

Please select one of the following:

- Do not withhold federal income tax. (This option is only available for accounts registered with an address in the United States.)
- Withhold 10% federal income tax
- Withhold _____% federal income tax (must be more than 10%)

7b. STATE TAX WITHHOLDING ELECTION (applies to all Inherited IRAs including Roth Inherited IRAs)

Your state of residence will determine your state income tax withholding requirements, if any. Those states with mandatory withholding may require state income tax to be withheld from payments if federal income taxes are withheld or may mandate a fixed amount regardless of your federal tax election. Voluntary states let individuals determine whether they want state taxes withheld. Some states have no income tax on retirement payments. Please consult with a tax advisor or your state's tax authority for additional information on your state requirements.

- I elect **NOT TO** have state income tax withheld from my retirement account distributions (only for residents of states that do not require mandatory state tax withholding).
- I elect **TO** have the following dollar amount or percentage withheld from my retirement account distribution for state income taxes (for residents of states that allow voluntary state tax withholding). \$ _____ or _____ %

THIRD AVNEUE FUNDS INHERITED IRA DISTRIBUTION REQUEST FORM ADDITIONAL INFORMATION

Neither Third Avenue Funds nor BNY Mellon IS Trust as custodian guarantees or affirms the appropriateness of the elections made on this form. Your options will depend on your personal circumstance. We do not represent that you will meet your RMD requirements; you should consult a qualified tax professional prior to completing this form.

- It is your responsibility to ensure your withdrawals comply with IRS rules and deadlines.
- This form may not present all available options for calculating your RMD under allowable IRS methods. The options for distribution may be based on several factors, including, but no limited to, the owner’s date of death (before or after 1/1/2020), the age of the decedent on the date of death (before or on/after RBD), the age of the beneficiary, and possibly if the beneficiary is related to the deceased. You should consult a qualified tax professional prior to completing this form.
- Inherited IRA assets must be moved into a separate IRA account for the beneficiary by 9/30 of the year after the year in which the owner’s death occurred for their required minimum distribution (“RMD”) to be calculated using their date of birth (where that option is applicable).
 - Where the original IRA owner’s death occurred on or after 1/1/2020, certain designated beneficiaries, some trusts, a charity, an estate, and other entity beneficiaries will be required to distribute the entire IRA balance no later than the end of a specific period of time, either 10 years (for a designated beneficiary that is an individual who is not an Eligible Designated Beneficiary) or 5 years (for an estate, charity, or other entity, including a trust that is not a qualified “look-through” trust).
- RMDs for inherited accounts are generally required under IRS regulations to begin by 12/31 of the year after the year of death of the original account owner. Exceptions to this beginning date apply to spouses of the original owner, who may delay beginning to take RMDs until the year in which the original owner would have reached their first RMD year.
- If the original non-Roth IRA owner passed away on or after his or her required beginning date for taking RMDs, OR you are a Successor beneficiary on either an IRA or a Roth IRA, you may be responsible for taking any remaining RMD for the year-of-death to comply with RMD requirements. This requirement is separate from your requirement to take distributions as a beneficiary if you establish an Inherited IRA.
- RMD calculations are done by BNYM IS Trust as custodian based on the balance in the specified Third Avenue Funds Inherited IRA or Inherited Roth IRA only.
 - If you have other Inherited IRAs or Inherited Roth IRAs with Third Avenue Funds, submit a separate form to request RMD calculations for each account.
 - If you have other Inherited IRAs or Inherited Roth IRAs with other institutions, the RMD amount BNYM IS Trust calculates will not include the balance in those separate accounts, you should contact the other institution or consult with a qualified tax professional to determine the required distribution amount.
- Excess distributions cannot be returned to the Inherited IRA account. Please be sure to complete this form carefully to prevent an excess distribution.
- Required Beginning Date (RBD): April 1st of the year after the owner reaches RMD Age. The SECURE Act signed into law on December 20, 2019 increased the age at which IRA owners become subject to Required Minimum Distributions (RMD) from age 70 ½ to age 72 for owner’s born on or after July 1, 1949.

Owner’s Date of Birth	RMD age	Required Beginning Date
On or prior to June 30, 1949	70 ½	April 1 st following the year the owner reached age 70 ½
On or after July 1, 1949	72	April 1 st of year the owner reaches age 73
